

Blackcircle.com tyres

Last Updated Monday, 15 January 2007

What Blackcircles.com offers:

A unique promotional code is offered to your members which entitles them to an additional 5% off our tyre prices. Blackcircles.com tyre prices are already very competitive and can offer savings of up to 40% compared to the high street fast fit prices, so with this additional discount code they will be able to buy tyres at excellent prices.

About Us:

Blackcircles.com has access to a huge range of tyre brands and sizes (over 20,000 different tyre items) and we offer either mail order or fully fitted all inclusive prices. Fitting takes place at one of over 900 local independent garages who are our accredited fitting partners. We operate a unique appointment system, whereby you can choose where and when you would like your tyres fitted, so all that you need to do is to arrive at the fitting centre on the date chosen and the tyres will be there ready for your appointment.

We also have an extremely high level of customer satisfaction, with more than 93% of customers who fill out our feedback form rating that they are 'extremely satisfied' with our service offering.

How you redeem the discount code:

Orders can be placed either on the website www.blackcircles.com or via our call centre 0845 200 0022 where one of our tyre experts will be able to offer impartial advice on which tyres are most suitable for your driving requirements if you are at all unsure of which brand to choose.

To redeem the code on our website, enter the code in the promotion code box on the shopping trolley page of the order process. To redeem the code over the phone, just quote the code to one of the sales team and they will apply the discount to your order. This discount code does not apply to any tyres listed on the Special Offers page, as these tyres are already discounted.

We value your custom and hope that you decide to use Blackcircles.com for your tyre purchase. Try us, we guarantee you won't be disappointed .

The code is available [here](#). The link will only work for members that are logged in.
