Parliamentary Regulations (SI's) on highway matters

Regulations and/or Statutary Instruments are the tools used to add or adjust the fine detail of principles established by Parliamentary Acts. Implementation dates, specifications, measures, etc.

Where possible, links are provided to the text (or a summary) of the regulations. These may either be to our "library copies" (usually of older legislation) or official sources, typically HMSO, represented by theicon.

Some of this legislation only applies to England & Wales, some only to Scotland, etc.
This list is provided for the use of GLASS members.

Crown Copyright material is reproduced with the permission of the Controller of HMSO and the Queen's Printer for Scotland.

There's a useful note about Crown Copyright on the web at HMSO
